HEALING THE WHOLE CHILD. NATURALLY.

## Holistic Child Health Newsletter May 2018

**Dear Friends,**

Welcome to the Holistic Child Health Newsletter.

The goal of my holistic pediatric practice, and of this newsletter, is to inform and support parents to become more empowered as the primary health care providers for their children. Extending far beyond Western medicine's conventional treatments, holistic medicine and mindful parenting allow us to boost children's natural immunity, support their optimum health and wellness, safely heal any illnesses, and prevent disease-without dangerous side effects. Holistic medicine provides us with the tools to nurture the physical, emotional, social and spiritual health of your children.

Over the coming months and years, I intend to use this newsletter to address some of your concerns as parents, share information that you might want to add to your knowledge base, and inform you of important issues and current events that are happening in the news, and in your area.

Together we can heal the whole child. Naturally.

Yours in Health,

## Lawrence B. Palevsky, MD

## **NEW YORK STATE ACTION NEEDED NOW!**

Please call Senator Carl Marcellino at 518-455-2390

Politely say:

"Please release Bill S6141d for a vote in the Education Committee.

This bill allows ALL kids to attend public school, including those whose parents have religious objections to immunizations"

This bill is STUCK and Senator Marcellino can make it MOVE as he is the Chair of the Committee.

He said he wants kids in school. Ask him to please make the law real, respected, consistent and FAIR. (Imagine that!)

Parents SHOULD NOT get quizzed on their religious beliefs so their KIDS CAN GO TO SCHOOL.

This ONLY happens in New York.

**He makes key education decisions for 19M people - YOU are one of them.**

**If you are his voter, make it clear this is a voting issue.**

**If you are not, make the call as an affected and concerned New Yorker.**

Please share the response you get from his office.

State Senator Carl Marcellino, (518) 455-2390
